

Timothy Allen Caulfield

Work: (780) 492-8358

Home: (780) 433-6778

e-mail: tcaulfld@law.ualberta.ca

Positions

- 2004 - present **Professor**
Faculty of Law and School of Public Health, University of Alberta.
- 2001 - present **Canada Research Chair in Health Law and Policy**
- 1993 - present **Research Director**
Health Law Institute, Faculty of Law, University of Alberta
- 1999 - 2004 **Associate Professor**
Faculty of Law and Faculty of Medicine and Dentistry, University of Alberta
- 1996-1999 **Assistant Professor (Trust)**
Faculty of Law, University of Alberta
- 1991 - 1992 **Lawyer**
Bryan and Company, Edmonton, Alberta
- 1990 - 1991 **Student-at-Law**
Bryan and Company, Edmonton, Alberta
- 1988 - 1990 **Legal Researcher**
Health Law Institute, University of Alberta

Appointments and Awards

- 2007 **Fellow, Royal Society of Canada**
- 2007 - 2008 **Director of Research**
Commission of Inquiry on Hormone Receptor Testing, Government of Newfoundland and Labrador

- 2007 **Senior Health Scholar**
Alberta Heritage Foundation for Medical Research
- 2006 **Fellow, Canadian Academy of Health Sciences**
- 2005 **Visiting Professor**
Health Law and Policy Institute, University of Houston
- 2004 **Media Relations Award**
University of Alberta, Senate Community Recognition
- 2002 **Alumni Horizon Award**
University of Alberta Alumni Association
- 2001 **Health Research Scholarship**
Alberta Heritage Foundation for Medical Research
- 2000 **Martha Cook Piper Research Prize**
University of Alberta
- 2000 **Senior Fellow, Einstein Institute for Science, Health and the Courts**
- 2000 **Visiting Scholar**
Hastings Center, Garrison, New York
- 1997 **Visiting Fellowship**
Stanford University, Program in Genomics, Ethics, and Society
Palo Alto, California
- 1996 - present **Alberta Heritage Foundation for Medical Research Population Health Investigator Award** (renewal granted 1999).

Education

LL.M., 1993
Faculty of Law
Dalhousie University

Bar Admission Course, Law Society of Alberta
Called to the Bar, July, 1991

LL.B., 1990
Faculty of Law
University of Alberta

Bachelor of Science, 1987
University of Alberta

Published Works

Books, Book Chapters, Edited Collections and Reports

- Ubaka Ogbogu and Timothy Caulfield, “Human Dignity and Biotechnology Policy” in Paul Atkinson, Peter Glasner and Margaret Lock, eds. *Handbook of Genetics and Society: Mapping the New Genomic Era* (New York: Routledge, 2009) pp. 448-461.

- “Keynote: Genetics and Race”, Post Graduate Students Society, Annual Conference, Montreal, Quebec, January 25, 2008.
- Chair, “Personal Genomics Workshop: Consensus Meeting” Institute of Genetics, X Prize Foundation and Ontario Genomics Institute, Toronto, November 28-29, 2007.

- “Technology and the Law: Biobanks” Appellate Courts Seminar: National Judicial Institute, Toronto, November 22, 2007.
- “Public Representations of Genetics: Reifying Race and the Role of Genes?” Social Sciences Facing Modern Genetic Challenges: Royal Society of Canada, Edmonton, Alberta, November 16, 2007.
- “Nutrigenomics and the Promise of Prevention: Representations and Realities” Visions National Health Law Conference, Banff, Alberta, November 8-10, 2007.
- Chair, “Curriculum Network Meeting: The Boundaries of Health Law,” CIHR Training Program, Banff, Alberta, November 8, 2007.
- “Harmful or Helpful: Exploring the Human Gene Patent Controversy,” Dalhousie Health Law Institute Seminar Series, Halifax, November 2, 2007.
- “Pandemic: Law, Policy and the Duty to Treat,” Judging Through a Pandemic: The Science, Ethics and Law of Infectious Disease Outbreaks, National Judicial Institute, October 28-30, 2007.
- “Perceptions, Policy and Payment: How we see ART,” American Society of Human Genetics, Annual Meeting, San Diego, California, October 24, 2007.
- “Biobanks: Balancing Existing Norms and Emerging Needs,” American Society for Bioethics and Humanities, Annual Meeting, Washington DC, October 21, 2007.
- “Ethics and Regulation of Predictive Health Research” American Society for Bioethics and Humanities, Annual Meeting, Washington DC, October 21, 2007.
- “Databanks, Biobanks and Registries: Legal and Ethical Issues,” Evolving in Rehabilitation, a National Perspective, October 17-18, 2007.
- “Bioethics: Stem Cell Controversy” Science and Technology in Society Forum: Fourth Annual Meeting, October 7-9, Kyoto, Japan.
- “Genetics and Biobanking” 29th International Conference of Data Protection and Privacy Commissioners, Montreal, September 25-28, 2007.
- “Reifying Race?: Genetic Research and Public Representations of Human Variation,” Understanding Human Variation, University of Alberta, September 21, 2007.
- “Gene Patents: Real Evidence of Real Problems?” Licensing Executive Society, Edmonton, September 12, 2007.

- “Genetic Research: Emerging Issues” 2008 Centenary Road Trip, University of Alberta Senate, Red Deer, Alberta, September 19, 2007.
- Chair, “Imagining Science: An Artistic Exploration of Science, Society and Social Change”, Genome Alberta and the Art Gallery of Alberta, Banff, August 23-25, 2007.
- “Health Science Journalism: Panel” Banff Science Communication Program, Banff Centre, August 13-14, 2007.
- “Twenty Years of Hope, Hype and Hoopla: Science Policy and the Media” XXXth International Congress on Law and Mental Health, Padua, Italy, June 25-30, 2007.
- “Representations and Reality: Can Nutrigenomics Do What It Promises?” Media, Marketing, Regulation and Nutrigenomics: an International Workshop, University of Exeter, England, June 21-23, 2007.
- “Regenerative Medicine Public Forum” MaRS Auditorium, University of Toronto, June 13, 2007.
- “Nutrigenomics and Behavioural Change: A Public Health Perspective” (poster with V. Alfonso and J. Shelley), Advanced Food and Materials Network, Quebec City, June 3-5, 2007.
- “Enduring GELS Issues”, 7th Annual General Meeting, NRC Genomics and Health Initiative, Halifax, Nova Scotia, May 22-25, 2007.
- “Gene Patents: Real Proof of Real Problems?,” Who Owns Your Body? Legal and Social Issues in Michael Crichton’s *Nex*”, Chicago-Kent College of Law, Chicago, May 21, 2007.
- “Monsters, Money and Miracles: Media Representations of Biotechnology,” Sanofi-Aventis Biotechnology Challenge, University of Calgary, April 27, 2007.
- “Looking Ahead: Enduring Social Issues in Medical Genetics,” Canadian Genetics Disease Network, Annual Scientific Meeting, St-Sauveur, Quebec, April 19-22, 2007.
- “Biobanks and the Consent Challenge” Canadian-Taiwanese Workshop: Ethical and Legal Issues on Biobanks and Contemporary Medical Research, Taipei, Taiwan, March 31, 2007.
- “Survey of Canadian Clinical Genetics Community,” Resource Allocation and Emerging Genetic Technologies, Genome Alberta, Banff, March 15-17, 2007.
- “Up Stream and Down: Conflicts of Interest and Knowledge Production” Conference on

Conflicts of Interest in Research, National Council on Ethics in Human Research, Toronto, February 22, 2007.

- “Owning Embryos or Commercializing Life?” Philosophers’ Café, University of Alberta, February 10, 2007.
- “Allocation, Rationing and Duty to Care in a Pandemic,” Ethics Forum on Pandemic Preparedness, St. Boniface General Hospital, Winnipeg, January 30, 2007.
- “Commercialization and the Knowledge Chain: Ethics in Industry Funded Research” HQP Meeting, Advanced Foods and Materials Network, Gatineau, Quebec, January 27, 2007.
- “Conflicts, Consent and Controversial Research: The Case of Stem Cell Research” Ethics Seminar, University of Ottawa, January 26, 2007.
- “Patenting Life: Defining the Boundries of ‘Ownership’ in Biomedical Research,” Louis D. Hyndman Lecture Series, University of Alberta, January 23, 2007.
- “Legal and Ethical Challenges in Predictive Health Research,” Indiana University Center for Bioethics, Indianapolis, December 18, 2006.
- Witness, Parliamentary Standing Committee on Health, House of Commons, Ottawa, December 12, 2006.
- “Conflicts and the Commercialization of Controversial Research: The Stem Cell Research Challenge,” Berman Bioethics Institute, Johns Hopkins University, December 4, 2006.
- “Markets and the Knowledge Chain” Greenwall Fellows Seminar, Johns Hopkins University, Baltimore, December 4, 2006.
- Timothy Caulfield, "Commercialization, Public Trust and the Popular Media" Human Biotechnology and Public Trust, Centre for Law and Genetics, Melbourne, Australia, November 23-24, 2006.
- “GELS Research: Emerging Challenges” ERA-SAGE Workshop (Genome Canada, CIHR, SSHRC), Ottawa, November 16-17, 2006.
- “Applying Existing Consent Norms to Embryonic Stem Cell Research” Stem Cell Network AGM, Ottawa, November 13-15, 2006.
- “Concerns for Safety or Playing It Safe Politically?: Exploring the Justifications Behind Canada's Stem Cell Policy” Sprott Centre for Stem Cell Research Symposium, Ottawa,

November 15, 2006.

- “Emerging Issues: Genetics and Public Health” Canadian Conference on the Public’s Health, Toronto, November 5-7, 2006.
- “Legal and Ethical Principles in Allocation,” Allocation in Canada Forum, Canadian Council for Donation and Transplantation, October 25-27, 2006.
- “The Making of Canada’s Stem Cell Laws,” Stem Cells: Saving Lives or Crossing Lines Avenues for Advancement, Rice University’s Baker Institute for Public Policy, Carnegie Institute of Washington, DC, October 24, 2006.
- “Emerging Consent Policy and Population Genetic Research: A Shifting of a Fundamental Ethical/Legal Norm?,” Innovation in Genomics Research, Newfoundland and Labrador Centre for Applied Health Research, St. Johns Newfoundland, October 19, 2006.
- “The Impact of Industry Involvement on Evidence and How It May Impact CPGs,” Conflicts of Interest in Clinical Practice Guidelines, Toronto, October 18th, 2006.
- "Genoflections: The Nature and Social Impact of Popular Representations of Biotechnology," First Annual Science Journalist Conference, Canadian Institutes of Health Research, Toronto, September, 2006.
- "Profits, Patents, Politics and Research Policies" Alberta Heritage Foundation for Medical Research, Calgary, August, 2006.
- "Consent, Control and Conflicting Norms in Stem Cell Research", 16th World Congress on Medical Law, Toulouse, France, August 7-11, 2006.
- "Biotechnology Media Representations" Food, Health and Biotechnology: Consumer and Social Issues in Canada’s New Food and Health Product Industries, Advanced Foods and Materials Network, Victoria, August 24 & 25, 2006.
- “Current State of Stem Cell Research: Public Symposium” International Society for Stem Cell Research, Toronto, June 28, 2006.
- “Public Health and Genetics: Autonomy, Privacy and the Research Imperative” Genomics and Public Health, 4th International DNA Sampling Conference, Montreal, June 4-7, 2006.
- “Genetics and Public Health” 97th Annual Conference, Canadian Public Health Association, Vancouver, May 28-31, 2006.

- “Problems and Potential: The Popular Media and Biotechnology,” Canadian Therapeutics Congress, Toronto, May 12, 2006.
- “Biobanks and Bioethics: The Consent and Confidentiality Challenge,” Community Health Sciences, Colloquium Series, University of Manitoba, Winnipeg, May 23, 2006.
- "Commercialization and Public Representations of Genetics," Genetic Diversity and Science Communication, Canadian Institutes of Health Research, Toronto, April 27-29.
- "Profits, Patents, Politics and Research Policies" and "What Do We Mean by 'Dignity,'" 5th Annual International Bioethics Forum, Biopharmaceutical Technology Center, Madison, Wisconsin, April 20-21, 2006.
- "Legal Overview,” Three Years After SARS: CIHR Joint Invitational Workshop, Toronto, April 11, 2006.
- "Public perceptions, public trust and biobanks: new challenges and new social norms?" Ethox Centre and Oxford Genetics Knowledge Park Seminars, Oxford, United Kingdom, April 4, 2006.
- "Profits, Problems and Public Representations of Health Research," 15th Annual Ethics Conference, The College of Physicians and Surgeons of BC and the BCMA, Vancouver, March 31st, 2006.
- “Human Dignity, Bioethics and Science Policy,” National Institutes of Environmental Health Sciences, National Institutes of Health, North Carolina, March 17, 2006.
- "Public Perceptions of ES and ‘Life’ Patents,” Ethical Aspects of Commercialization and Patentability of Stem Cells, EuroStemCell, Lund, Sweden, March 13-15, 2006.
- “From Autonomy to Dignity: Future Challenges and the Re-Visiting of Core Principles?” Health Law at the Supreme Court of Canada, Halifax, February 23-25, 2006.
- “Live Organ Donation: Consent Issues” and “Legal Issues Regarding Commensation” Enhancing Living Donation, Canadian Council for Donation and Transplantation, Vancouver, British Columbia, February 9-12, 2006.
- Chair, “Teaching Civil Law and Public Health Law” 3rd Network Curriculum Meeting: Teaching Civil Law and Public Health Law, Halifax, February 23, 2006.
- “Great Expectations: Biotechnology and the Popular Press,” Stanford Law School, January 23, 2006.
- “Stem Cell Policies in Canada: Politics and Prohibitions,” Beyond the Embryo, Stanford

Center for Biomedical Ethics, Stanford, California, January 20, 2006.

- “Biobanks: The Next Big Confidentiality Conundrum?” Canadian Bar Association Health Law Subsection, Edmonton, January 9, 2006.
- “Biotechnology and the Popular Press,” The Edmonton Journal Workshop, Edmonton, December 8, 2005.
- “Stem Cell Research and Cloning – The Law ,” Managing Scientific Evidence in the Courtroom, National Judicial Institute, Toronto, November 23-25, 2005,
- “The Nature of Popular Representations of Biotechnology” College of Law, Arizona State University, Tempe, Arizona, November 15, 2005.
- “Turning Left to Right: Parliamentary Politics and the Stem Cell Debate,” College of Law, Arizona State University, Tempe, Arizona, November 14, 2005.
- “Great Expectations: Genetics and the Popular Press,” Genetics Education Project Primary Care Genetics Peer Resource Workshop, University of Toronto, November 3, 2005.
- “Human Stem Cell Biology: Principles, Applications and Ethical Considerations - Patent Law,” American Society of Human Genetics, 55th Annual Meeting, Salt Lake City, Utah, October 25-29, 2005.
- “Biotechnology Patents and Public Trust: The Need for Governance?” The Role of Intellectual Property Rights in Biotechnology Innovation, CIPP and the European University Institute, Florence, Italy, October, 23-24, 2005.
- “Pharmacogenomics: Social and Legal Liabilities” International Bar Association Conference, Prague, Czech Republic, September 27, 2005.
- “Biobanks and Consent: The Major Ethical Dilemma in the Genetics Era?” Canadian Society of Allergy and Clinical Immunology, Annual Scientific Meeting, Winnipeg, September 24, 2005.
- “Stem Cell Research: Politics, Publics and the Press,” Looking Back, Looking Forward: Lessons for Governing Emerging Technologies, Canadian Biotechnology Secretariat and Genome Canada, Ottawa, September 22, 2005.
- “Parliamentary Politics and Science Policy: The Case of Stem Cell Research,” Sheffield Institute of Biotechnology Law and Ethics, University of Sheffield, England, September 14, 2005.

- “Clarity or Confusion: The Use of Human Dignity as a Justification for Science Policy,” XXIXth International Congress on Law and Mental Health, Paris, France, July 2-8, 2005.
- “Hype: Is the Media to Blame?” Canadian Science Writers 34th Annual General Conference, Jasper, Alberta, June 17-19, 2005.
- “Human Dignity, Informed Consent and Biobanking: A Challenge for Bioethics and Law in the 21st Century”, International Conference on Science, Law & Ethics, Haifa University, Haifa, Israel, June 2-6, 2005 (presented by Lorraine Sheremeta).
- A Cycle of Hype?: The Nature and Impact of Popular Representations of Biotechnology” National Institutes of Health, Bethesda, MD, June 2, 2005.
- “Human Dignity, Informed Consent and Biobanking: A Challenge for Bioethics and Law in the 21st Century” (presented by Lorraine Sheremeta), International Conference on Science, Law and Ethics: World War II and Its Impact on Law & Ethics - 60 Years After, Haifa, Israel, May 29- June 2, 2005.
- “Selling Organs: Legal and Policy Conflicts,” Canadian Society of Nephrology Annual General Meeting, Calgary, May 28, 2005.
- “Biotechnology Patents: Current and Emerging Policy Challenges,” Life Patents and the Public Interest in Canada, Canadian Environmental Law Association, Toronto, May 13, 2005.
- “Ethical and Legal Issues Related to Access to Health Care Services” Harkness International Program in Health Policy, Canadian Policy Briefing Tour, Calgary, May 4, 2005.
- “Biobanking: The Biggest Challenge Legal Challenge of the Genetic Era?” Invited Speaker Series, Department of Biochemistry, University of Victoria, April 22, 2005.
- “Stem Cell and Cloning Controversies in Canada,” Faculty of Medicine Ethics Day, University of Ottawa, March 18, 2005.
- “‘The Cycle of Hype’: Media Representations of Biotechnology,” Ottawa Health Research Institute, March 18, 2005.
- “Representing Research: An Analysis of How the Popular Media and Peer Review Journals Cover Traditional Biomedical Research and Complementary and Alternative Medicine,” Leslie Dan Faculty of Pharmacy, University of Toronto, March 4, 2005.
- “Human Dignity and Human Cloning: Making Laws in a Pluralistic Society” Distinguished Speaker Series, Centre for the Study of Religion and Society, University of

Victoria, February 27th, 2005.

- “Human Dignity, Stem Cell Research and Human Cloning,” AAAS Annual Meeting, Washington DC, February 19th, 2005.
- “Canada’s Cloning Ban: Does It Make Sense?” Canadian Embassy Research Workshop, AAAS Annual Meeting, Washington DC, February 20th, 2005.
- “Human Dignity and Science Policy: What’s Wrong With Cloning and Stem Cell Research?” 2nd Canadian National Undergraduate Bioethics Conference, University of Toronto, February 18th, 2005.
- “Genohype: The Nature and Policy Implications of Media’s Coverage of Genetic Research,” Bioethics Seminar, Joint Centre for Bioethics, University of Toronto, February 17, 2005.
- “Legal Issues in BioBanking,” First ESH/EBMT Euroconference on BioBanking, Dublin, Ireland, January 28-31, 2005.
- “Management and Governance of Human Genetic Research Databases,” 17th Session of the Working Party on Biotechnology, OECD Headquarters, Paris, December 1, 2004.
- “Canada’s Cloning Ban: Does It Make Sense?” Canadian Bar Association, Health Law Section, Calgary, November 18, 2004.
- “Stem Cell Patents” International Symposia Presentations, Stem Cell Network, Annual General Meeting, Montreal, November 3-5, 2004.
- “Pharmacogenomics: Legal and Ethical Challenges,” Pharming the Genome: Implications of Pharmacogenomics for Human Health and Public Policy, Government of Canada Biotechnology Conference, Ottawa, November 4, 2004.
- “Prioritizing Health Care: Legal Challenges,” Western Canadian Waiting List Project, Calgary, October 28, 2004.
- “Media, Marketing and Genetic Research: The Policy Implications of ‘Genohype,’” American Society of Human Genetics Annual Meeting, Toronto, October 27, 2004.
- “Conflicts of Interest in Biomedical Research: Dissemination and Publication Issues,” An Invitational Meeting on Conflict of Interest, Canadian Institutes of Health Research, Alymer, Quebec, October 22-23, 2004.
- “Nature and Impact of Public Representations of Genetic Research” UBC Genetic Graduate Program Retreat, Vancouver, British Columbia, October 21, 2004.

- “In Cloning a Crime?: Making Laws in the Biotech Century” City Centennial Celebrations, Citadel, Edmonton, October 8, 2004
- “Genetic Testing: Promise and Peril,” The Gee! In Genome, The Provincial Museum of Alberta, September 23, 2004.
- “Legal and Ethical Challenges Associated with Tissue and Databank Research,” Research Ethics Educational Conference, National Council for Ethics in Human Research, Halifax, September 17-18, 2004.
- “Information and Privacy: A Panel,” Public Health Workshop on Quarantine and Legal Preparedness for Public Health Emergency” Health Canada, Edmonton, September 13-14, 2004.
- “Perceptions of Risk and Human Genetic Databases: Consent and Confidentiality Policies” International ELSAGEN Conference, Reykjavik, University of Iceland, August 25-28, 2004.
- “Geno Type or Geno Hype?” The Gee! In Genome, St. Boniface General Hospital, Winnipeg, May 19th, 2004.
- “Genohype: The Nature and Impact of Media Representations of Genetic Discoveries,” 12th Annual Medical Science Graduate Students’ Association Symposium, University of Calgary, May 14th, 2004.
- Conference Co-Chair, “Genomics, Genetics and Society: Bridging the Disciplinary Divides,” Institute of Genetics, Canadian Institutes of Health Research, Toronto, April 15-17, 2004.
- “Media Portrayals of Genetic Discoveries: What Does the Evidence Tell Us?” HGM2004, Human Genome Meeting, HUGO, Berlin, Germany, April 4-7, 2004.
- Consensus Panel Member, Towards an Understanding of TRALI: Consensus Conference, Canadian Blood Services, Toronto, April 1-2, 2004.
- Co-Chair, “Human Dignity Workshop,” American Association for the Advancement of Science and Health Law Institute, Washington DC, March 25-26, 2004.
- “The Popular Press and ‘Genohype’”, Medicine and Media: The Delicate Balance, Spring Meeting of the American Society for Bioethics and Humanities, San Antonio, Texas, March 12-14, 2004.
- Rapporteur, OECD Workshop on Human Genetic Research Databases: Issues of Privacy and Security, Tokyo, Japan, February 26-27, 2004.

- “Biotechnology Patents,” International Congress of Comparative Cultures and Legal Systems, Institute of Legal Research, University of Mexico (UNAM), February 9-14, 2004.
- “DNA Databanks and Legal Dilemmas,” Dual Controversies of the Double Helix: Challenges of Regulating the Information and Property Aspects of Genetic Technology, TIP Conference, University of Toronto, February 6, 2004.
- “The Media, Marketing and Genetic Services,” National Health Law Conference 2004: Why Gets It? Who Decides? Issues of Access and Allocation in Health Care, University of Toronto, January 22-24, 2004.
- “Conflicting Goals: Legal, Ethical and Social Issues in Research” Strengthening the Foundations: Health Services and Policy Research, CIHR, Montreal, November 22-24, 2003.
- “Where’s the Hype?: Media Representations of Genetic Discoveries,” The Carolina Center for Genome Sciences Seminar Series, University of North Carolina, November 14, 2003.
- “SARS: The Canadian Experience,” European Public Health Ethics Network (EuroPHEN), Barcelona, Spain, November 7-9, 2003.
- “Stem Cell Policies in Canada,” Human Genome Bridge Week, Faculty of Law, University of Toronto, November 6, 2003.
- “Consent in the Genetic Era: The Case of DNA Databanks,” Health Law and Policy Seminar Series, Faculty of Law, University of Toronto, November 6, 2003.
- “Clones and Controversy: Stem Cell Policies in Canada,” Symposium: Cell-Based Therapeutics, Roberts Research Institute, London, Ontario, November 4-5, 2003.
- “Making Laws in the Age of Reproductive Genetics,” Canadian/American Appellate Judges Seminar, National Judicial Institute, Victoria, British Columbia, October 26-29, 2003.
- “Regulation of Stem Cell Research: We Can Do Better Than Bans,” American Society for Bioethics and Humanities/Canadian Bioethics Society, Montreal, October 22-26, 2003.
- “The Popular Press and Genetic Policies: The Nature and Impact of ‘Genohype,’” Office of Public Policy and Ethics, University of Queensland, Brisbane, Australia, October 6, 2003.

- “The Law of Consent in the Genetic Era,” Genetics, Health and Justice: 28th International Congress on Law and Mental Health, Sydney, Australia, September 28 - October 3, 2003.
- “Globalization, Biotechnology and the Development of National and International Policies,” Globalization and Health: 28th International Congress on Law and Mental Health, Sydney, Australia, September 28 - October 3, 2003.
- “Marketing, Media and the Popular Representations of Genetics” Medicine and Industry: Changing Paradigms in Health Law, Policy and Ethics: 28th International Congress on Law and Mental Health, Sydney, Australia, September 28 - October 3, 2003.
- “Therapeutic Cloning: Ethics, Law and Policy,” Stem Cell Network, Annual General Meeting, Vancouver 18-20, 2003.
- “Public Policy Perspective” Stakeholder Workshop, Stem Cell Network, Annual General Meeting, Vancouver, September 17, 2003.
- “Evaluating the Impact of Genetics on Health Services: Legal, Ethical and Social Issues,” International Society of Technology Assessment in Health Care, 19th Annual Meeting, Canmore, Alberta, June 22-25, 2003.
- “Canadian Policies on BRCA1 Diagnostic Testing,” Science and Intellectual Property in the Public Interest, American Association for the Advancement of Science, Washington DC, June 5, 2003.
- “Politics and Prohibitions: Stem Cells, Cloning and the Law in Canada,” 14th Annual Clara Christie Research Day, University of Calgary, May 9, 2003.
- “Genetic Testing: Promise or Peril?” Panel Discussion, Canadian Museum of Nature, Ottawa, May 5, 2003.
- “Headlines and Hype: Media Portrayals of Genetics Discoveries,” (co-authored with T. Bubela) Crossing Over: Genomic Research in the Public Arena, Kananaskis, Alberta, April 27-28, 2003.
- “Balancing the Health Care and Innovation Agenda: Patent Policy in Canada,” (co-authored with L. Sheremeta) Crossing Over: Genomic Research in the Public Arena, Kananaskis, Alberta, April 27-28, 2003.
- “Stem Cells, Ethics and the Law” Society for Gynecologic Investigation, 50th Annual Meeting, Washington DC, March 29, 2003.
- “Statutory Prohibitions vs Flexible Regulation” Human Genome Bridge Week,

University of Toronto, February 13, 2003.

- “The Canadian Cohort Study: Ethical, Legal and Social Issues in the Canadian Context” Canadian National Birth Cohort Design Meeting, CIHR, Toronto, February 3-5, 2003.
- “The Regulation of Embryonic Stem Cell Research: An International Perspective” International Congress on Ethics in Organ Transplantation, Munich, Germany, December 10-13, 2002.
- “Genetics and the Law,” National Judicial Institute, Nova Scotia Education Seminar, Halifax, November 21, 2002.
- “DNA Databanks, Public Opinion and the Law,” Privacy in Health Research: Sharing Perspectives and Paving the Way Forward, Canadian Institutes of Health Research, November 15, 2002.
- “Stem Cells, Cloning and the Law” Frontiers of Research Lectures, University of Ottawa, November 14, 2002.
- “DNA Databanks, Consent and Public Opinion” Joint Centre for Bioethics, University of Toronto, November 13, 2002.
- “Politics and Prohibitions: Stem Cells, Cloning and the Law in Canada,” Canadian Psychiatric Association 52nd Annual Meeting, Banff, Alberta, October 31- November 3, 2002.
- “The Commercialization of Human Genetics: Future Policy Concerns,” Genetics and Biotechnology in Medicine, University of Rome, Rome, Italy, October 25-26, 2002.
- “Media Portrayal of Genetic Discoveries: A Comparison of Newspaper Stories and Peer Reviewed Publications” (with Tania Bubela) (abstract #1266), The American Society of Human Genetics, Baltimore, October 15-19, 2002.
- “Emerging Ethical, Legal and Health Policy Issues Surrounding the Patentability and Commercialization of Human Embryonic Stem Cells and Related Biomedical Technologies” (co-authored and presented by Lori Sheremeta), 14th Annual Canadian Bioethics Society Conference, Victoria, October 17-20, 2002.
- “DNA Data Banks, Privacy, Public Perceptions and the Law” (co-authored and presented by Tim Outerbridge), 14th Annual Canadian Bioethics Society Conference, Victoria, October 17-20, 2002.
- “The Future of Pharmacotherapy,” Patented Medicine Prices Review Board, Symposium 2002, Ottawa, October 7-8, 2002.

- “Living Wills, Advance Directives and Substitute Decision Making,” Values, Ethics and Vision in Health Care Conference, March 25-27, 1994.
- “Cost Containment in Health Care - What Will it Mean?” presented at the Health Law Section of the Canadian Bar Association, November 2, 1993

Editing

- Editorial Board Member, *PLoS Medicine*, Public Library of Science.
- Section Editor, Social, Ethical and Legal Issues and Editorial Board, *Genome Medicine*
- Editorial Board, *BMC Medical Ethics*
- Editorial Board, *American Journal of Bioethics*
- Editorial Board, *Regenerative Medicine*.
- Editor, Health Law Review, *Health Law Institute*, University of Alberta
- Editor, Health Law Journal, *Health Law Institute*, University of Alberta
- Assistant Editor, Administrative Law Reports, Carswell, 1995-1999.

Memberships, Committees and Associations

- Member, Government Affairs Committee, International Society for Stem Cell Research, 2008-present.
- Member, Planning Committee, "Neuroscience in the Courtroom: What Judge's Need to Know", National Judicial Institute, 2008-2009.
- Chair, Policy, Ethics, Law and Society Committee, Allergan, National Centres of Excellence, Canada, 2008-present.

- Chair, Kwantlen University College Research Ethics Inquiry, 2008.
- Research Advisory Panel, Science Media Centre of Canada, 2009- present.
- Member, Institute of Genetics, Institute Advisory Board, Canadian Institutes of Health Research, 2008 - present
- Co-Chair, Genetic Diversity and Science Communication Conference, Canadian Institutes of Health Research, Toronto, April 27-29.
- Member, Interagency Advisory Panel on Research Ethics (PRE), Government of Canada, 2007-present.
- Member, Scientific Advisory Board, Pathogenomics of Innate Immunity Scientific Advisory Board, Genome British Columbia, 2006-present.
- Member, Scientific Advisory Board, Genome-Environment Interactions in Type 1 Diabetes, 2007-present
- Assessments Committee, Canadian Academy of Health Sciences, 2006- present.
- Member, Research Awards Advisory Committee, University of Alberta, 2006- present.
- Member, Social Issues and Policy Advisory Board, Archon X Prize in Genomics, X Prize Foundation, 2006-present.
- Chair, Health Ethics, Law and Humanities Peer Review Committee, Canadian Institutes of Health Research, 2004-2005.
- Member, Forum Recommendations Group, Canadian Council for Donation and Transplantation, 2006.
- Member, Advisory Panel for the “Governing Genetic Databases” Oxford Genetics Knowledge Park, University of Oxford, 2005-present.
- Member, Research Management Committee, Theme Leader, Stem Cell Network, 2005-present.
- Member, National Research Advisory Board, The Center for Excellence in Health Marketing/Health Communication, University of Georgia, 2005-present.
- Member, Steering Committee, GELS Workshop, Genome Canada, Ottawa, 2006.

- Alternate Member, Research Ethics Review Committee, College of Physicians and Surgeons of Alberta, 2005 - present.
- Member, Program Advisory Committee, Alberta Heritage Foundation for Medical Research, 2004-present.
- Member, Expert Working Party on Human Genetic Materials, Intellectual Property and the Health Sector, Canadian Biotechnology Advisory Committee, 2004- 2006.
- Member, Research Management Committee, AllerGen NCE (Allergy, Genetics and Environment), 2004-present.
- Co-Chair, Canadian Lifelong Health Initiative Ethical Legal Social Issues (CLHI-ELSI) Advisory Committee, Canadian Institutes of Health Research, 2003-present.
- Chair, Organizing Committee, Genome Canada's GE³LS Winter Symposium, 2003, Montreal, February 6-8, 2003.
- Chair, Ethics Committee, Canadian Blood Services, 2003 - 2005.
- Member, Science and Industry Advisory Committee, Genome Canada, 2004 - present.
- Member, Research Ethics Board, Consensus Initiative, Alberta Heritage Foundation for Medical Research, 2002.
- Member, Health Services for Genetic Diseases Planning and Priorities Committee, Canadian Institutes of Health Research, 2002.
- Member, AGM Stem Cell Network, Steering Committee, 2003.
- Co-Chair, Organizing Committee, Precedent and Innovation: Health Law in the 21st Century, Edmonton, September 27-28, 2002
- Member, Working Group, National Steering Committee on Patient Safety, Royal College of Physicians and Surgeons of Canada, 2001-2002.
- Member, Tumor Bank Working Group, Canadian Association of Provincial Cancer Agencies, 2001-2002.
- Co-Chair, GELS Priorities and Planning Committee, Genetics Institute, CIHR, 2002 - present
- Co-Chair, 3rd International DNA Sampling Conference: Ethical, Legal, Social Issues, Montreal, September 5-8, 2002.

- Ethics Committee of the Canadian Stroke Network, 2002 - present
- Chair, Steering Committee, Genome Canada GELS Workshop, January 21, 2002.
- Chair, University of Alberta Stem Cell Task Force, Office of the VP Research, 2002-present.
- Institute Advisory Board, Institute of Health Services and Policy Research, Canadian Institute of Health Research, 2001 - 2004.
- Social Issues Committee, American Society of Human Genetics, 2000 - 2004.
- Juvenile Diabetes Research Foundation International, Stem Cell Advisory Panel, New York, 2001-present.
- Ad Hoc Working Group on Stem Cells, Canadian Institutes of Health Research, 2000-2002.
- Canadian Biotechnology Advisory Committee, Government of Canada, 1999 to present
- Health, Ethics, Law and Humanities Grants Committee, Canadian Institutes of Health Research, 2000 - 2001
- Expert Advisory Committee on Xenograft Regulation, Health Canada, 1999
- Expert Panel, The Future of Food Biotechnology, Royal Society of Canada, 2000-2001.
- Ethics Sub-Committee, Canadian Institutes of Health Research, 1999
- Law Commission of Canada's Study Panel on Health Research Involving Human Subjects, 1999-2000.
- Working Group on Public and Professional Educational Requirements Related to Genetic Testing of Late Onset Diseases, Health Canada, 2000 to 2002.
- Co-Chair, Health Law Section, Canadian Association of Law Teachers, 1999 to 2000.
- Advisory Board, International Institute for Qualitative Methodology, 1998 to present
- Chair, Second International Conference on DNA Sampling, "The Commercialization of Genetic Research: Legal, Ethical and Policy Issues" (September, 1998)
- MELSI Sub-Committee, Genomics Research Program, Medical Research Council of

Canada, 1998

- Research Ethics Review Committee, College of Physicians and Surgeons, Alberta, 1996 to present
- University Representative, Health Information Protection Legislation Working Committee, Alberta Health, 1998
- Advisor, The Genome Radio Project, “The DNA Files” (PBS), Berkeley, California, 1997 to present
- Biosafety Committee, University of Alberta, 1996 to 1999.
- Capital Health Ethics Coordination Council, 1997 to 1999.
- Edmonton Genetics Group Working Committee, Alberta Cancer Board, 1997 to present
- Research Ethics Committee, Alberta Cancer Board, 1994 to 1999.
- Working Committee, Canadian Bar Association Task Force on Health Care, 1994
- Executive, Edmonton Medico-Legal Society, 1994 to present
- Canadian Bioethics Society (Institute Representative), 1993 to present
- Law Society of Alberta - 1991 to present
- Canadian Bar Association - 1990 to present
- Executive, Health Law Subsection of the Canadian Bar Association, 1994 to present
- Society of Composers, Authors and Music Publishers of Canada
- Graduate Studies Committee, Dalhousie, 1992-93

Teaching

- “Law and Medicine,” Faculty of Law, University of Alberta, 1996 to present
- “Legal Issues in Health Care” Faculty of Extension, 1994
- Supervised numerous Independent Research Papers (Law 595 and Bio 490)
- Health law lectures delivered for the Faculties of Medicine, Dentistry, Education and

Science, University of Alberta, 1993 - present

Recent Peer Reviewed Grants

Principal Investigator, “Moving Forward with Birth Cohort Research in Canada: The Legal and Ethical Foundations for the CHILD Study” AllerGen (Allergy, Genes and Environment Network) \$35,000 (2006-2008).

Co-Principal, Stem Cell Network, Catalyst Grant, "Assessment, Allocation and Access: Stem Cells and Health Systems" \$50,000 (2006-2007)

Co- Principal Investigator, “Translating Science: Genomics and Health Systems” Genome Canada, \$1,106,755 (Genome Canada contribution) (2005-2009).

Principal Investigator and Theme Leader, “Towards the Clinic?: Ethical, Legal and Social Issues (ELSI) Relevant to Emerging Stem Cell Therapies” Stem Cell Network, National Centres of Excellence Program, \$600,000 (approx) (2005-2008).

Co-Principal Investigator, “The Use of legal interventions to address environmental factors implicated in the obesity epidemic: The role of law as a public health tool” Canadian Institutes of Health Research, \$130,000 (2006-2009).

Co-Principal Investigator, “Social Issues In Nutritional Genomics: The Design of Appropriate Regulatory Systems and Issues of Public Representations and Understanding”, Advanced Food and Materials Network, \$645,000 (2006-2009)

Principal Investigator, “Legal Foundations for a National Disease Control and Surveillance Agency in Canada,” Canadian Institutes of Health Research, \$175,000 (approx) 2004-2005.

Associate Theme Leader, Advanced Foods and Materials Network, GELS Theme, National Centres of Excellence Program \$50,000/yr (approx) 2004-2008.

Co-Investigator, “GeneSens: Translating genetic discoveries into appropriate health policy and services” Canadian Institutes of Health Research, Interdisciplinary Capacity Enhancement (ICE), 2003-2007.

Co-Investigator (PI, Michael McDonald, UBC), Canadian Institutes of Health Research, *Toward the Ethical Governance of Canadian Research Involving Humans: Principles, Policies, Practices and Outcomes*, approx \$10,000/yr.

Co-Principal Investigator, Genome Prairie, “Socio-Political Concerns, Regulatory Policy and the Commercialization of Genomic Technologies” \$75,000/yr (approx) 2001-2005.

Associate Theme Leader, Stem Cell Network, National Centres of Excellence Program, “Theme 1: Legal, Ethical and Social Issues” \$75,000/yr (approx).

Career Award, Alberta Heritage Foundation for Medical Research Health Research Scholarship, “Regulating the Genetic Revolution” Research Grant: \$20,000 over 5 yrs; Salary x 5yrs; Admin support: \$6,000 x 5yrs., 2001-2006.

Co-Investigator (J. Downie, Dalhousie and C. Flood, UofT), Canadian Institutes of Health Research, “Training Program in Health Law and Policy” Funds varies depending on UofA graduate students (\$16,000/yr/student plus admin and workshop costs, etc.). 2002 - 2008.

Co-Investigator (PI: Dev Menon), Alberta Heritage Foundations for Medial Research, “State of the Science Review: Incorporating Public Values and Technical Information into Health Care Resource Allocation Decision-Making”(\$70,000), 1998-2001.

Co-Investigator (PI: Usher Fleising, U of C) “Financing the Pipe: Cultural Meanings of Disease in the Life History of Pharmaceuticals” Social Sciences and Humanities Research Council of Canada, (2000 - 2003).

Principal Investigator, “Providing Genetic Testing and Related Services Through the Private: A Workshop to Discuss Legal, Ethical and Policy Issues” Medical Research Council of Canada, \$18,530,1999

Principal Investigator, “The Law, Policy and the Commercialization of Human Genetics,” Social Sciences and Humanities Research Council (Principal Investigator), \$77,160 over 3 years, 1998-2001.

Alberta Law Foundation, Special Projects Fund, “Health Care Reform in Alberta: An Analysis of Legal and Policy Developments” (\$52,000 over 2 years).
